

HAWKEYE

MOUNT VERNON CHAPTER

ORDER OF DE MOLAY

HAWKEYE

JANUARY 2 1942

MOTHERS' CIRCLE BIG HELP TO CHAPTER

Every DeMolay should see that his mother is given an opportunity to enjoy DeMolay associations and activities. Our chapter has a Mothers Circle under the leadership of Mrs. August Etsch.

Our mothers have a common interest at heart and in their enthusiasm they are of the greatest help in making almost every event a complete success for the chapter.

Every mother of a member of Mount Vernon Chapter is cordially invited to attend a meeting of the Mothers Circle which meets the First Friday of each month in the upper banquet hall.

OBLIGATORY DAYS

The following days are fixed as special DeMolay ceremonial days and the observance of them is obligatory to all members of DeMolay.

- (1) Devotional Day--Sunday nearest March 18th.
- (2) Patriots Day--May 1st.
- (3) DeMolay Day of Comfort--June 1st.
- (4) Educational Day--First regular meeting in October.
- (5) Parents' Day--Sunday preceding November 1st.

Each chapter plans a definite program for each of these days and the cooperation of all members is expected.

JOE BELLESHIEM NEW M. C.

We welcome you here tonight and hope that each of you will be favorably impressed with our work.

This evening, one of our distinguished members will be installed to the office of Master Councilor. Brother J. Belleshiem who for a number of years has been active in DeMolay work will assume the responsibility of leading the members for a term of three months.

To be elected and installed as Master Councilor of a DeMolay Chapter means something to the members of a DeMolay Chapter. It means that this young man will be instrumental in helping young men to become better sons, better citizens and better lovers of God.

This evening you will witness the installation ceremonies. We ask you to be particularly attentive to the ritualistic work you will hear. Then, after witnessing the work we do, I am sure you will want to present your son with a membership in this Grand Order. Perhaps, if you haven't a son, some relative or friend of yours could be interested in joining.

The consensus of opinion of the members and friends of DeMolay is that to be elected and made a DeMolay is the highest honor that can come to any young man before he reaches his majority.
