

Ridgewood Chapter, No. 1281

Order of DeMolay

MEETS FIRST AND THIRD TUESDAYS

TADMOR TEMPLE
SUMMERFIELD STREET AND FOREST AVENUE
RIDGWOOD, NEW YORK

Dear Masonic Friends,

This letter is written in a sincere effort to secure your cooperation in connection with a forthcoming project of our organization, Ridgewood Chapter # 1281 Order of DeMolay.

The majority of our members eventually enter into the Masonic Fraternity. Our sponsoring body, Granite Lodge # 1011, has over three-hundred members and approximately sixty of them were former members of Ridgewood Chapter.

Those who do not wish to enter Granite Lodge usually and most probably enter some other Fraternal Organization.

DeMolay is an Order which is dedicated to ideals which are worthy of emulation. When a candidate become a brother he is instructed in the ideals or criteria of Filial Love, Reverence for God, Courtesy, Comradship, Fidelity, Cleanness, and Patriotism...

As he proceeds in the order he learns the lessons, which are vital necessities in life. This is to make him worthy of the commendation of all good men.

In order for our Chapter to continue its activities we must make our 12th Annual Dance a Success. Therefore, we would be grateful for your help in the future and feel certain that you will favor us with a supporting donation.

We have performed Mother's Degrees for the Masonic Home in Tappan, for the Evangelical Home for the Aged in Brooklyn, and for local Chapters and Lodges in our surrounding communities.

Our Chapter has an active membership.. We do not merely work, (ritualistic ally) but we also engage ourselves in activities such as Bowling, Softball, Basketball and others too numerous to mention.

We are hoping that you will favor us with your assistance.

Sincerely and fraternally,

Robert H. Felsenfeld
