

NEW YORK DeMOLAY

DeMolay is an organization for active young men which provides the opportunity to have fun, learn, and lead while making friends. DeMolay members conduct their own meetings and plan their own activities.

Starting in 1919 from a group of nine teenagers in Kansas City, DeMolay has spread to all fifty states and nine countries. Millions of young men have been members.

DeMolay is named for Jacques DeMolay, who fought in the Crusades and lost his life because of his loyalty to his fellow Crusaders.

SCHOLARSHIPS

DeMolays are eligible to apply for several Scholarships for College and Technical schools. Some exceed \$1000 a year.

SPONSORSHIP

From its beginning, DeMolay Chapters have been sponsored by Masons. These successful, civic minded men of high ideals, counsel and guide DeMolay members and help them develop their individual potential. In many cases today, these men serve as a positive male role model for young men.

Many Chapters have a Parents Club where Mothers and Fathers can assist with events and activities.

DeMOLAY LEADING THE WAY FOR THE YOUNG MEN OF TODAY!

Some of the exciting activities you may choose to be a part of include basketball, dances, softball, chess, dramatics, volleyball, bowling, trips, parties, golf, computers, public speaking, camping, community service, and MUCH MORE!!

MEETINGS

Chapters meet twice a month to conduct business and plan activities. These meetings, run by the young men, are normally over by 9 P.M. and refreshments follow.

LEADERSHIP

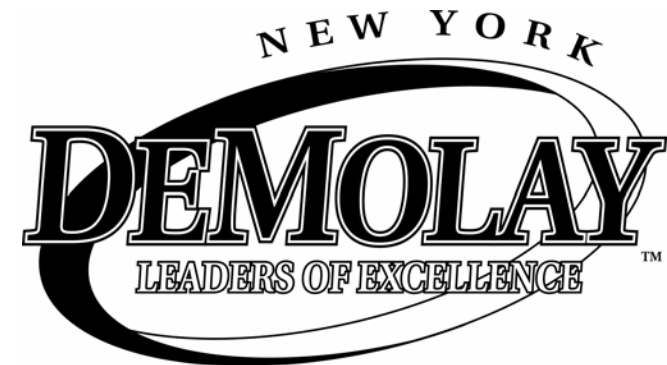

All DeMolay programs stress teamwork and develop leadership skills which can be used in future years. Several State-wide programs are held each year, enabling DeMolays from all sections of New York State to form new friendships while developing their talents and enjoying social and athletic programs. Master Masons and Senior DeMolays are there as Advisors to help with procedures and give guidance.
